JOŠI ŠNEBERGER JOSCHI SCHNEEBERGER Rubina Rubina

ĐANGO RAJNHARD DJANGO REINHARDT Rhythme Futur

Prije tri godine, **DIKNU ŠNEBERGER**, tada sedamnaestogodišnji Rom iz Beča postigao je veliki uspjeh sa svojim debitantskim albumom Rubina (City Park, O-tone Music, Edel Kultur). Nagrađen najznačajnijom austrijskom nagradom u ovom žanru – Hans-Koller, od tada redovno nastupa na radijskim i TV stanicama. Koncerti u Francuskoj, Njemačkoj, Velikoj Britaniji i Luksemburgu postali su dio rutine ovog ansambla. Mladi Šneberger odaje poшту svom uzoru, džez muzičaru, gitaristi *Đangu Rajnhardu*. Ove godine, u znak 100 godina od rođenja Đanga Rajnhrada, Diknu Šneberger Džez Trio objavljuje album „Duh Đanga“.

Nakon što je svojim prvim albumom „Rubina“ fascinirao publiku, virtuoznost na drugom albumu ponovo zadivljuje. Pet kompozicija napisao je sam Đango Rajnhard, za koga Diknu Šneberger ističe: *Đango Rajnhard je pravi genije. Nikada nisam slušao gitaristu sa toliko osjećajnosti u melodiji i ritmu. [...] Đango Rajnhard je moj veliki uzor.*

Dvadesetogodišnji Diknu Šneberger kombinuje savršenu tehniku sa lakim prepuštanjem, virtuoznošću i prirodnim osjećajem za melodiju. Pokazalo se da je lagani latinski ritam srodan njegovom *ciganskom* zvuku. Diknu Šneberger džez trio intenzivno nastupa i predstavlja svoj album na međunarodnim scenama širom svijeta

Za sve što radi, Diknu Šneberger ima podršku svoje porodice, iz koje su, pored njegovog oca i njega potekli i drugi muzičari.

Three years ago, **DIKNU SCHNEEBERGER**, at that time a seventeen year old Gypsy from Vienna achieved outstanding success with his debut album Rubina (City Park, O-tone Music, Edel Kultur). He received the most prestigious Austrian award in this genre – Hans-Koller, and has since then regularly appeared on radio and TV stations. Concerts in France, Germany, Great Britain and Luxemburg became a part of this ensemble's routine. The young Schneeberger pays tribute to his role model, the jazz musician, guitarist *Django Reinhardt*. This year to mark 100th anniversary of birth of Django Reinhardt, Diknu Schneeberger Jazz Trio published the album “The Spirit of Django”.

After having fascinated the audience with his first album “Rubina”, virtuousness on the second album amazes again. Five compositions were written by Django Reinhardt himself, for whom Diknu Schneeberger points out: *Django Reinhardt is a real genius. I have never listened to a guitarist with so much sensitivity in melody and rhythm. [...] Django Reinhardt is my great role model.*

Twenty year old Diknu Schneeberger combines perfect technique with easy abandon, virtuousness and natural sense for melody. It turned out that easy Latin rhythm is congenial to his *Gipsy* sound. Diknu Schneeberger jazz trio appears intensively and presents its album at international stages all over the world.

For all he does, Diknu Schneeberger has the support of his family, from which other musicians stemmed apart from his father and him.
